PASO ROBLES
SAUVIGNON BLANC

THIS WINE PRODUCED AND BOTTLED BY MARTIN
BROTHERS WINERY, PASO ROBLES, CALIFORNIA.
ALCOHOL 12.1% BY VOLUME. B.W. # 5057.

A flinty nose of just-cut hay pervades the aroma of this wine; a seemingly casual snap of French barrel tannin completes the full sensations of this tart and most drinkable white wine from Rancho Tierra Rejada, eight miles east of Paso Robles. To produce the greatest amount of complexity without resorting to ponderous alcohol is our aim. With its strong acid of 8.8 grams/liter and moderate alcohol of 12.1% by volume, this exemplifies the Martin Brothers stylistic philosophy of drinkability and convivial fellowship with foods.

A handwritten signature in cursive script that reads "Dominic Martin". The signature is fluid and matches the style of the main logo.
